Principal Investigators

Prof Martin Turner

Institution

University of Oxford

Contact information of lead PI

Country

United Kingdom

Title of project or programme

Developing the Oxford study for biomarkers in Motor Neurone Disease (BioMOx2): Capturing pre-symptomatic events and advancing clinical translation

Source of funding information

MND Association provides this amount to the MRC, who pay the full fellowship grant

Total sum awarded (Euro)

€ 325,410

Start date of award

04/08/2013

Total duration of award in years

5

Keywords

Research Abstract
