

Health Insurance Act

<https://neurodegenerationresearch.eu/survey/health-insurance-act/>

Name of policy

Health Insurance Act

Please briefly describe the policy

The system is a private health insurance with social conditions. The system is operated by private health insurance companies; the insurers are obliged to accept every resident in their area of activity. A system of risk equalisation enables the acceptance obligation and prevents direct or indirect risk selection.

Is this policy about:

Health care

Does this policy cover:

The care of people having a neurodegenerative condition (the patient)

Please categorise the policy using the following descriptors
