

Role of astrocytic 3-phosphoglycerate dehydrogenase in AD

<https://neurodegenerationresearch.eu/survey/role-of-astrocytic-3-phosphoglycerate-dehydrogenase-in-ad/>

Principal Investigators

BONVENTO Gilles

Institution

CNRS UMR 9199 / MIRCen

Contact information of lead PI

Country

France

Title of project or programme

Role of astrocytic 3-phosphoglycerate dehydrogenase in AD

Source of funding information

Fondation Plan Alzheimer

Total sum awarded (Euro)

€ 119,343

Start date of award

xx/xx/2015

Total duration of award in years

2

Keywords

Research Abstract
