Principal Investigators

Vanduffel Vandenbulcke Mantini

Institution

KU Leuven

Contact information of lead PI

Country

Belgium

Title of project or programme

Selective dopaminergic reward signals in the visual cortex of monkeys, humans en Parkinson patients.

Source of funding information

FWO

Total sum awarded (Euro)

€ 500,000

Start date of award

01/01/2013

Total duration of award in years

4

Keywords

Research Abstract
