## Title of COE

Title of PI Alzheimercentrum VUmc

## Mission of COE

Our mission is to combine top referent patient care and world class research. We strive for a leading position in both care and research of dementia, with a special focus on dementia with early onset.

## Director

Title prof dr

First name Philip

Last name Scheltens

## COE Principal Investigators

Title	First name	Last name
-------	------------	-----------

prof. dr	Philip	Scheltens
----------	--------	-----------

dr	Wiesje	van der Flier
----	--------	---------------

Heutink prof. dr.	Peter	
-------------------	-------	--

prof. dr. Frederik	Barkhof	
--------------------	---------	--

prof. dr. Cees	Stam	
----------------	------	--

dr.	Rien	Blankenstein
-----	------	--------------

prof. dr. Bart	van Berckel	
----------------	-------------	--

dr.	Yolande	Pijnenburg
-----	---------	------------

dr.	Pieter Jelle	Visser
-----	--------------	--------

## Address of institution where award is held

Institution Boelelaan 1118

Street Address Amsterdam

City Alzheimercentrum VUmc

Postcode 1081 HV

## Country

Netherlands

## Date that the CoE was established

We have 4 main research programmes: 1) early diagnosis, 2) endophenotypes, 3) vascular factors 4) interventions. We approach these research topics with a number of tools and techniques: clinical/cognition, MRI, PET, EEG/MEG, biomarkers, pathology/pathogenesis and genetics.

**If it has specific relevance to a neurodegenerative disease please select up to three of the following**

Alzheimer's disease and other dementias

**How many constituent programmes are there within the Centre of Excellence?**

01-01-2011

**Funding sources**

1 Stichting VUmc Fund

2 Stichting Dioraphte

3 FES Fund

4 EU FP5/FP6

5 Alzheimer Nederland
