

# Role of central and peripheral Anti-amyloid immune and inflammatory responses in incipient Alzheimer's disease

<https://neurodegenerationresearch.eu/survey/title-of-pirole-of-central-and-peripheral-anti-amyloid-immune-and-inflammatory-responses-in-incipient-alzheimers-disease/>

## Title of project or programme

Title of PI      Role of central and peripheral Anti-amyloid immune and inflammatory responses in incipient Alzheimer's disease

## Principal Investigators of project/programme grant

Title	Forname	Surname	Institution	Country
Professor Marie		Sarazin		France

## Address of institution of lead PI

Institution

Street Address

City              Paris

Postcode        75013

## Country

- France

## Source of funding information

INSERM

## Total sum awarded (Euro)

710000

## Start date of award

01-07-2010

## Total duration of award in months

36

## The project/programme is most relevant to

- Alzheimer's disease and other dementias

## Keywords

Research abstract in English

Lay summary

In which category does this research fall?

- Basic research
